

MYRLENE BOKEN: SENIOR AWARD

Myrlene is the President of 'Christmas for Kids', an organization which she helped grow from a simple school Christmas drive to a registered charity. She also helps with a breakfast program at one of the local schools and organizes Easter and Thanksgiving food drives at the schools. Christmas for Kids operates year round with various programs. One program is called 27 Backpacks, which aims to help kids get supplies for school. The charity also provides necessities of life to children and assists with delivering birthday gifts to them. Thank you Myrlene for giving back so much to your community!
