1 Corinthians 11:24

The church welcomes opportunities to share the Sacrament of the Lord's Supper in homes, nursing facilities and hospitals with those who cannot attend public worship. The intent of this provision is twofold: it strengthens the pastoral care of the church to its elderly, disabled and homebound members by making it more feasible for them to participate regularly and frequently in the Lord's Supper. It also makes our celebration of the Lord's Supper a strong sign of the unity of the church by regularly including those who are unable to gather with the worshipping congregation. The outreach visit consists of an abbreviated but a complete celebration of the Eucharist.

Divine Presence
Bless this place and all who are gathered here. Bless this table, which has become for us at this moment the Lord's Table. Bless these gifts of bread and wine, that they may be for us the body and blood of our savior Jesus Christ. Bless our hearts, as we receive your gracious gifts.

Amen.
